

GOING CAR RACING

Purchase your MSA Go Racing Pack

The pack is £65 and includes your licence application form, MSA blue book and Go Racing DVD. You will need to familiarise yourself with Section Q of the blue book before sitting your ARDS test.

Visit www.clubmsv.co.uk/goracing to purchase your Go Racing Pack.

Book your ARDS test

Sitting the test is a great introduction to motorsport, ahead of what we hope will be years of happy racing. It is available at any one of our five circuits and should you pass, will give you the stamp of approval from us to obtain your National B Race Licence from the MSA.

Visit www.clubmsv.co.uk/ards for a list of available dates to take your ARDS test.

If you have limited track driving experience, we strongly suggest you consider some driver training prior to sitting your test.

Driver Training

We'll help you find the ability you never knew you had! The best way to improve your cars performance is to improve the driving performance of person sitting behind the steering wheel!

If you want to shave seconds off your lap time for your next race then Club MSV can help! We offer a range of driver training products specifically tailored to help get the most out of you and your car.

Visit www.clubmsv.co.uk/drivertraining for more information on our driver training products.

Club Racing School

Our Club Racing School is going to teach you everything you need to race and win! It's a day of intensive training at Bedford Autodrome designed to prepare you for all of the eventualities that you might experience as a club racer.

What will I be taught?

This event is all about teaching you how to race. We'll be covering areas such as:

- Practice Starts getting off the line and taking advantages on the first lap.
- Qualifying - how to set the best qualification time under qualifying conditions.
- Overtaking and Defensive Driving - a rare chance to practice you're racing techniques.

Visit www.clubmsv.co.uk/clubracingschool to find out more about the Club Racing School

Come racing with us in the Club MSV Trackday Trophy

As the in-house trackday division for MotorSport Vision, we are regularly asked by our trackday drivers how to go racing.

Conventionally there have been several hurdles into the sport, so in 2010 we decided to start the Trackday Trophy - a series that makes it as easy as possible with a primary goal of helping new drivers to go racing.

Our series is all about having fun with other likeminded novice racers!

Visit www.trackdaytrophy.co.uk to find out more.

For the more experienced racer, we also have the Team Trophy

The Club MSV Team Trophy is for more experienced racers who are looking for an informal series that is ultimately as much fun as possible for everyone involved.

It is designed for production and production based Saloon, Hatchback and Sports cars manufactured after 1994 but the series is also the official graduate series of the Club MSV Trackday Trophy and therefore teams who have previously competed in the Trackday Trophy are permitted to enter the Team Trophy in their existing race cars even if they have been manufactured before 1994.

Visit www.team-trophy.co.uk to find out more.
